

**Abstract**  
Graduation Level of Proficiency Paper  
(Bachelor's degree / Specialist's degree / Master's degree)

**Subject matter:** The reflection of the history of Spain and Italy in Spanish and Italian idioms

**Author:** Marina Khanaeva

**Supervisor of studies:** Candidate of Philological Sciences, Associate Professor, Head Chair of Spanish Studies and Intercultural Communication, Kobyakova Irina Aleksandrovna.

**Information about customer organization:** Institute of Roman and German Languages, Informational, and Humanitarian Technologies, Federal State Budgetary Educational Establishment of Higher Professional Education "Pyatigorsk State University".

**Topical Importance:** the relevance of the study is determined by the importance of studying the linguistic and historical connection concluded in the Spanish and Italian idioms, as it contributes to the enrichment of a person speech and expanding his/her cultural and historical knowledge about the country.

**Goals:** to identify typological features and specific language specificity of Spanish and Italian historical phraseological units..

**Tasks:**

1. to study the meaning of the phrase "phraseology" and "phraseological unit";
2. to consider the existing types of classifications of phraseological units;
3. to select and study language material reflecting the historical events;
4. to classify the studied corpus of phraseological units;
5. to describe the results of the study.

**Theoretical value and practical applicability:**

The theoretical value of the research results lies in the fact that it substantiates the theoretical aspect of the work and proves the existence of a strong link between the history of the country and its language.

The practical applicability of the work lies in the fact that its results can later be used in practice in the process of teaching Spanish and Italian.

**Implementation advice:**

The practical value of the work lies in the possibility of using its results as a material for the course of lexicology, for special courses in phraseology and typology, as well as in the practice of teaching Italian and Spanish languages and translation.
