

## **Abstract**

Final Qualification Work  
(Bachelor's degree)

**Subject matter:** Online tourist's (touristic) reviews as a speech genre of Russian and Spanish languacultures.

**Author:** Khapaeva Alimat Borisovna

**Supervisor of Studies:** Filatova Natalya Ivanovna, Candidate of Pedagogic Sciences, Associate Professor at the Department of Spanish Studies and Intercultural Communication; Institute of Romance and Germanic Languages, Informational and Humanitarian Technologies; Pyatigorsk State University.

**Information about customer organization:** Institute of Romance and Germanic Languages, Informational and Humanitarian Technologies, Federal State Budgetary Educational Establishment of Higher Professional Education "Pyatigorsk State University".

**Topical Importance:** the relevance of the research topic lays on the fact the different genres of tourist speech that are common around the Internet have not been studied enough.

**Goals:** the main aim of this work is comparing the peculiarities of online reviews in Russian and Spain languages.

**Tasks:** to achieve the goal of the study the following objectives must be met:

1. to consider the genre parameters of different reviews and different types of discourse;
2. to provide information about the general characteristics of Internet genres with a comparison of national value;
3. to identify the characteristic means of linguistic expression in Russian and Spanish.

**Theoretical value and practical applicability:** the significance of the study lays on the fact that the results of this work can be further used in scientific works devoted to touristic discourse and speech genres. On the other hand, the practical significance on the fact that the most commonly used parts of speech and common words identified in the study can be used by representatives of the tourism business and students of language universities for a variety of purposes.

**Implementation advice:** the results of the study can be used not only by representatives of tourism sphere and by students of linguistic faculties but also by anyone who wants to write a review. Thus, an electronic instruction booklet of information on competent writing of reviews on official websites is proposed.
