

Abstract

Graduation Level of Proficiency Paper (Bachelor degree, Specialist's degree, Master's degree)

Title: National-cultural peculiarities of jargon in the countries of Latin America.

Author: Ksenia Ivanovna Nesterova.

Research Supervisor: PhD, Associate professor L.G. Denisenko.

Research Initiator: Pyatigorsk State Linguistic University.

Topical Importance: Heightened interest to advanced study of social vocabulary layers (jargon).

Goals: Describe principal lexical differences of variants of Spanish language.

Tasks: 1. Consider some theoretical points of view about jargon, argot, slang.
2. Expose the most important traits of spoken language on the lexical level.
3. Expose thematic orientation of concerned vocabulary layer.

Theoretical value and practical applicability: Results and materials could be used in teaching in some theoretical and practical subjects.

Implementation advice: Results and materials could be used in teaching in some theoretical and practical subjects like: lexicology, stylistics, cross-cultural communication etc.
