

## SUMMARY

**The Subject Matter of the Graduation Thesis:** "Management of the development of the social and cultural sphere at the municipal level (on the example of the municipal formation of the resort city of Pyatigorsk)".

**The Author of the Graduation Thesis:** Nasoeva Maria Badrievna the 5<sup>th</sup> year student of the Institute of Distance Learning, Information Technologies and Online Projects.

**The Supervisor of the Graduation Thesis:** Eremina O.S., the Candidate of Historical Science, Senior Lecturer of the Department of Creative and Innovative Management and Law.

**Information about the customer organization:** Administration of Pyatigorsk city.

**Topicality of the Research.** The activities of local self-government bodies cannot be effective if they are carried out without taking into account the socio-cultural aspects, since the socio-cultural sphere of the municipality is an important tool for regulating all social processes, and also acts as the basis for the future development of the territory of the municipality. In general, the socio-cultural environment of a municipality determines the totality of various conditions of life, cultural and social behavior of each person.

**The Objective of the Research** is to study theoretical aspects and develop practical recommendations for improving the process of managing the development of the socio-cultural sphere at the municipal level.

**Tasks of the Research:**

- to consider the concept and essence of the socio-cultural sphere;
- to study the features of the development of the social and cultural sphere at the municipal level;
- to give a description of the social and cultural sphere of the resort town of Pyatigorsk;

to research the practice of managing the social and cultural sphere of the resort town of Pyatigorsk;

to determine the main directions of development of the socio-cultural sphere of the resort town of Pyatigorsk;

to formulate recommendations for the creation of a model children's library on the basis of the Central Children's Library named after S. Mikhalkov.

**The Theoretical and Practical Significance of the Graduation Thesis.**

The theoretical provisions outlined in the final qualifying work help to identify the features of the functioning of the socio-cultural sphere at the municipal level. In addition, the conclusions and practical recommendations developed in the course of the study can be used both in the work of local self-government bodies of the city of Pyatigorsk and in the activities of other municipalities.

**The Findings of the Research.** Currently, the city of Pyatigorsk has a well-developed social infrastructure that allows meeting various socio-cultural needs of the population. At the same time, the entire socio-cultural potential of the city is not fully used, associated with the historical heritage, natural resources, intellectual capital, intercultural dialogue and diversity, a high-quality urban cultural environment.

**Recommendations.** The main directions of the development of the resort town of Pyatigorsk in the field of education, work with youth, the cultural sphere and the sphere of physical culture and sports have been formulated. Special attention is paid to the creation of a model library on the basis of the Central Children's Library named after S. Mikhalkov as directions of development of the cultural sphere of the city.
